

SOLAGEO

15.6" DC LED TELEVISION

We are honored that our 15.6" LED TV has been selected as a Global Leap Awards finalist. Adding value to the daily livelihoods of underserved communities, our TV features:

- High Energy Efficiency; Low Power Consumption - Only 7.5W Avg.*
- Durable and sturdy build for challenging environments
- Dust protection
- USB, HDMI and other input options
- Receive multiple signal types without any additional equipment

* Independent testing conducted by Intertek U.K.

Please visit www.solageo.com for more details on our Global Leap Awards recognized TV and our other larger 18.5" and 24" models, which also incorporate the same high quality functions and features.

TWB-TVE1603A

15.6" DC LED Television
